Deadline for Applications: March 8, 2024

Executive Summary: The Study of the U.S. Branch (ECA/A/E/USS), Office of Academic Exchange Programs, Bureau of Educational and Cultural Affairs (ECA) invites proposal submissions for one cooperative agreement to design, administer, and implement the Young Southeast Asian Leaders Initiative (YSEALI) Academic Fellowship.

The Fellowship should consist of a total of 20 Institutes with 10 taking place in the spring of 2025 and 10 in the fall of 2025 and provide a total of approximately 500 undergraduate and recent graduates from throughout Southeast Asia with a foundation in one of four themes: Civic Engagement; Sustainability and Environment; Innovation, Entrepreneurship, and Economic Empowerment; and Society and Governance. See details in section A.3. Program Specific Guidelines.

The award recipient will be responsible for program planning and implementation, including the oversight and coordination of the 20 Institutes under the YSEALI themes. Each Institute will host 25 participants from throughout Southeast Asia. Each Institute will be five weeks in duration and will include an approximately four-week academic residency at a U.S. college or university campus and an approximately one-week integrated educational study tour that includes time in Washington, DC at the conclusion of the Institute. The award recipient will coordinate with ECA to ensure all participants are able to join a larger Washington, DC-based YSEALI Fellows Forum in the spring and fall.

Applicants can administer the Fellowship fully through sub-awards or may propose to directly implement up to two Institutes (one in spring, one in fall) and administer sub-awards for the remaining 18 Institutes. No academic institution will be allowed to directly implement more than two Institutes in one calendar year. ECA welcomes applications from U.S. public and private non-profit organizations, consortia of organizations, and accredited post-secondary U.S. educational institutions meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3). Applicants may submit only one proposal under this competition. If multiple proposals are received from the same applicant, all submissions will be declared ineligible and receive no further consideration in the review process.

It is ECA's intent to award a cooperative agreement of one base year plus two non-competitive continuations (NCCs). Please see section B.) Federal Award Information, below for additional details.

A. PROGRAM DESCRIPTION

A.1. Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

A.2. Purpose

The YSEALI is designed to strengthen leadership development across Southeast Asia, deepen engagement with young leaders on key regional and global challenges, and strengthen people-to-people ties between the United States and Southeast Asia. YSEALI, which began in 2013, is a broad U.S. government initiative with a range of components that include educational exchanges, professional skills-building workshops in the region, online networking, project seed money, and professional seminars at the YSEALI Academy at Fulbright University Vietnam.

The Academic Fellowship component of the YSEALI is targeted at undergraduate students and recent graduates in Southeast Asia, and includes an intensive academic residency, community service activities, leadership development, and an integrated study tour. The Institutes should provide participants with an in-depth examination of the themes of Civic Engagement; Sustainability and Environment; Innovation, Entrepreneurship, and Economic Empowerment; and Society and Governance while also heightening their awareness of the history and evolution of U.S. society, culture, values, and institutions, broadly defined.

A.3. Program Specific Guidelines

All YSEALI Academic Fellowship Institutes should be approximately five weeks long and held at an academic institution in the United States. U.S. public and private academic and cultural institutions, exchange-of-persons, and other not-for-profit organizations meeting the provisions of a 501(c)3 are eligible to apply as a sub-award recipient; however, the Institutes should take place on a U.S. college or university campus. (See Program Administration under section A.4. Recipient Responsibilities for more information on host institutions.) The recipient will be responsible for providing guidelines for curricula to host institutions to promote a consistent level of quality and thematic content in each Institute. The academic residency should include group discussions, experiential learning activities, and exercises that focus on the theme and

include aspects of leadership, teambuilding, collective problem-solving skills, effective communication, and management skills. Therefore, participants should gain both theoretical knowledge and practical skills.

In addition to the academic coursework, Institutes should include practical hands-on experiences related to the given theme. Site visits in the community should provide opportunities to observe and participate in varied aspects of American life as they relate to the program topic, and to discuss lessons learned in the academic program. Institutes should also include a weekly community service component in which the Fellows experience firsthand the key role of not-for-profit organizations and volunteerism as a core value in American civil society. Institutes should highlight the importance of community service and discuss impacts of the activity in the community.

Each Institute should be five weeks in length. Participants should spend approximately four weeks at a U.S. academic institution and approximately seven days on an integrated educational study tour that concludes in Washington, DC. Programming during the Washington, DC component should include a closing event (one in spring and one in fall) that will bring together all 250 Academic Fellows from the four thematic tracks, and participation in the YSEALI Fellowship Forum, an event that may bring together the YSEALI Academic and YSEALI Professional Fellows, the latter of which are supported under a separate ECA award, for an opportunity to share program experiences, network across programs, and engage with Department of State officials and members of the diplomatic community. Both events will be planned by the award recipient and in close consultation with ECA.

All programming should foster ECA's mission to promote mutual understanding between citizens of other countries and citizens of the United States. Thus, programs should include robust opportunities for participants to meet Americans from a variety of backgrounds, interact with their U.S. peers, and speak to appropriate student and civic groups about their experiences and life in their home countries. **Please see the Project Objectives, Goals, and Implementation (POGI) document for more information.**

Institute Themes: The Institutes should address the influence of principles and values such as international cooperation, democracy, diversity and inclusion, equality, freedom of expression, individual rights, the rule of law, and tolerance. In this context, Institutes should incorporate a focus on American historical events and current political, social, and economic aspects of contemporary American life. Discussions should center on the diverse character of American society. Applicants should propose to implement an equal number of five Institutes per theme for each year.

1) The <u>YSEALI Academic Fellowship on Civic Engagement</u> should provide participants with an overview of how citizens, both as individuals and in groups, have shaped U.S. history, government, and society. The academic program should define civic engagement, examine

its development in the United States, and explore topics such as active citizenship, community-building, economic development, grassroots activism, gender equity, political leadership, volunteerism, voting, and the ways in which traditional and social media can be leveraged to advance civic causes. In order to define the content of the Institute and enhance the academic experience, proposals may choose to focus on one of the following sub-themes: media literacy, education, public health, civil rights and social justice, and community resilience. To the extent possible, academic sessions should be complemented with hands-on sessions or workshops designed to build skills in the topics mentioned above. The Institutes should encourage participants to develop innovative and practical plans to become engaged citizens in their own communities.

2) The YSEALI Academic Fellowship on Sustainability and Environment should explore the role that environmental issues and policies have played in the economic, political, and social development of the United States. Institutes should use experiential learning techniques to expose participants to topics including climate change, climate resilience, ocean protection, renewable energy, pollution, public health and safety, emergency and disaster management, land use, sustainable development, conservation, sustainable agricultural practices, food security, illegal and unreported fishing, ecotourism, and water access, management and treatment. The Institutes should explore the issues from numerous angles, including local grassroots activism and civic initiatives, impacts on underserved communities, global multilateral efforts, the private sector, and government policies and regulation. Finally, Institutes in this theme should explore climate change and environmental issues in the context of a globalized society and draw parallels between the United States and the participants' home countries.

3) The YSEALI Academic Fellowship on Innovation, Entrepreneurship, and Economic Empowerment should provide participants with an overview of U.S. entrepreneurial strategies and critical emerging technologies that are employed to address social issues. Institutes under this theme should review the development, history, challenges, and successes of social enterprises and community leaders in the United States and globally, with specific relevance to Southeast Asia. Topics may include, but are not limited to, economic and social justice initiatives; investment; social capital development; strategies for sustainable economic development; financial literacy; microfinance; organizational development and management; innovation; emerging technology; risk analysis; strategic business planning; corporate social responsibility; and underrepresented communities in entrepreneurship. To the extent possible, academic sessions should be complemented with hands-on sessions or workshops designed to build skills in the topics mentioned above.

4) The YSEALI Academic Fellowship on Society and Governance should offer an overview of governance in the United States, exploring policy making and public management practices

at both the local and national level. The Institutes should explore a variety of subtopics such as democracy and rule of law, judicial reform, public administration and management, fiscal management in public and non-profit organizations, public health and human services, public-private partnerships, public safety, transportation and urban planning, civil liberties, anti-corruption, and transparency and accountability. The Fellowship should emphasize practical skills such as management and leadership through interactive workshops that allow participants to outline policy solutions for their own communities. The Institute curriculum should also encourage participants to draw parallels between the United States and their home countries.

A.4. Recipient Responsibilities
Overview of Recruitment and Selection:
Proposals must demonstrate the capacity of the recipient to assist ECA in recruitment efforts and in the selection process for Fellows. The recipient will be responsible for developing creative and comprehensive plans to assist recruitment conducted by U.S. embassies and consulates and other U.S. government agencies throughout Southeast Asia. The recruitment plans should include the development of marketing materials including, but not limited to, print materials (flyers, fact sheets, one pagers, brochures); prerecorded content (audio advertisements, podcasts, etc.); online content (website information, social media campaigns); and outreach to stakeholders in U.S. higher education, sectors related to Fellowship themes, and other relevant communities. Successful recruitment plans will provide specific strategies for attracting well-qualified and diverse pools of applicants, and assist ECA and other Department equities in messaging and recruitment efforts. All aspects of diversity included in ECA's Diversity Statement should be addressed in the recruitment plans including, where applicable, institutional, geographic, racial, gender, ethnic, age, religious, socio-economic status, disability, sexual orientation, and gender identity.

The recipient will be responsible for creating a Fellow application form that will be posted on the program website for U.S. embassies, consulates, and other U.S. government agencies to submit eligible candidates. Please see the POGI for more information.

The initial nomination of qualified candidates will be the responsibility of U.S. embassies, consulates, and other U.S. government agencies, including ECA. The recipient will be responsible for assisting with the placement of nominated candidates with ECA making final participant selection and placement decisions.

Participants will be undergraduate students or recent graduates aged 18-25 from the 10 ASEAN member countries (Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, Philippines, Singapore, Thailand, and Vietnam) plus Timor-Leste. ECA will make the final decisions regarding

participating countries and reserves the right to adjust the participating countries, participant numbers, themes, and Institute dates based upon Department priorities. Please see the POGI for more information on participants.

Overview of Media and Outreach:
In addition to recruitment plans, the proposal must include a description of how the YSEALI Academic Fellowship will be publicized to various audiences and media audiences and media outlets, including print, online, and broadcast, to reach the widest possible audience of qualified applicants, U.S. academic host institutions, and other relevant audiences. The proposal must also include a community outreach plan to educate Americans on the YSEALI Academic Fellowship, particularly those who will interact with the Fellows during the Institutes and Reciprocal Exchange. Outreach should include print and virtual content.

Additionally, the proposal should address the recipient's ability to maintain the YSEALI Academic Fellowship website and all its components, including a private Fellowship portal. The Fellowship Portal should provide additional information about the Fellowship to alumni and selected finalists and alternates. The website must also include a Post Portal for U.S. embassies, consulates, and other U.S. government agencies to be able to submit their initial candidates for the Fellowship to be reviewed by ECA and later placed in their host institution by the recipient. The award recipient must regularly check the website content to ensure that all posted materials are current and correct and must submit any new strategies for presenting program information or major revisions of current online materials to ECA in advance for approval. ECA may request that website content be added or removed in a timely manner. On occasion, ECA may request that the recipient assist in promoting and coordinating opportunities for Fellowship alumni with other elements of YSEALI, including the YSEALI Network and other YSEALI programming.

Publications, program materials, and all online platforms, including social media and websites, should explain the mission of the YSEALI Academic Fellowship and emphasize the U.S. Department of State's role as the program's sponsor. As such, all materials should note that "The YSEALI Academic Fellowship is a program of the U.S. Department of State with funding provided by the U.S. Government and administered by [award recipient]." When applicable, the note should include a link to the program website, https://asean.usmission.gov/yseali/. This language should appear prominently on all print and electronic materials and should precede any language regarding the role of the award recipient in administering the program. Publications should prominently feature the YSEALI logo and the U.S. Department of State seal in accordance with established ECA branding guidelines. The outreach strategy and all publication materials, including cover designs, must be submitted to ECA for approval prior to publication and dissemination. Please see the POGI for more information.

Overview of Alumni/Follow-on Activities:

Proposals should provide plans for continued follow-on activities that ensure that ECA-supported programs are not isolated events. Proposals may include ideas for small alumni seed grants, professional development grants, in-region trainings, virtual skill-building workshops, speakers, and other follow-on alumni programming with accompanying information regarding how it will be coordinated with existing alumni efforts.

Proposals should include plans for a small grant component encouraging collaboration on projects and the sharing of best practices among alumni. Proposals should also include a way to recognize outstanding alumni who have a strong record of demonstrated leadership and advocacy on behalf of the Fellowship.

Reciprocal Exchange Component:
The recipient will also be responsible for administering the YSEALI Academic Fellowship Reciprocal Exchange component for at least 10 young American professionals. The Reciprocal Exchange component should provide funding opportunities for American youth to collaborate with Fellowship Alumni on projects across Southeast Asia. Through these projects, U.S. experts and leaders should work with Fellows to tackle strategic issues such as innovation, entrepreneurship, sustainability, good governance, public health, education, and development. Projects should also encourage lasting partnerships, contribute to market or network expansion, and increase mutual understanding between the United States and countries in Southeast Asia. The recipient is responsible for managing the application form for both the American youth and for YSEALI Alumni (as hosts and project partners) to compete in a merit-based open competition for a Reciprocal Exchange. Selections for the Reciprocal Exchange participants will be reviewed by U.S. embassies and consulates in Southeast Asia and ECA will make the final selection decisions. Please see the POGI for more information on this component.

Program Administration: ECA is seeking detailed proposals from accredited U.S. public and private academic and cultural institutions, exchange-of-persons, and other not-for-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3), who may submit applications for this competition. Applicants must have nonprofit status with the IRS at the time of application. Please see the Proposal Submission Instructions (PSI) for additional information.

ECA intends to issue one Cooperative Agreement and is seeking proposals from organizations with the ability to administer and assist with a complex recruitment and selection process; develop and oversee Institutes across the four themes; administer the Reciprocal Exchange component; develop and oversee alumni activities; and manage the program website, Fellowship Portal, and Post Portal, among other responsibilities. The recipient may propose to administer all 20 Institutes through sub-awards or may propose to implement up to two of the Institutes (one in spring, one in fall) and administer sub-awards to host institutions to conduct the remaining 18 Institutes. No institution will be permitted to host more than two Institutes in

one calendar year.

The recipient will serve as the lead administrator and will be responsible for the oversight of all aspects of this project, including managing and monitoring performance of all sub-award recipients. Proposals should demonstrate any regional and thematic expertise. Participating countries and regions will be determined by ECA, in coordination with the Public Affairs Sections at U.S. embassies abroad and the Bureau of East Asian and Pacific Affairs (EAP) at the Department of State.

Program Guidelines: The award recipient is responsible for the conception, structure, and monitoring of the YSEALI Academic Fellowship. Proposals must provide a detailed and comprehensive narrative describing the goals and objectives of the Institutes; academic program content and curricula; budgets; and alumni and Reciprocal Exchange activities. Proposals should also include a sample academic syllabus and calendar demonstrating how the proposed components relate to the overall theme of each Institute and the entire project. The proposal should demonstrate the applicant's ability to recruit host colleges, universities, or non-profit organizations that reflect regional and other forms of diversity, including public, private, urban, rural, minority-serving institutions, and community colleges. Applicants are expected to submit the proposed names of the Institute partners along with proposed agendas and syllabi. All Institutes must take place on a U.S. college or university campus.

Proposals will be reviewed on the basis of their responsiveness to the criteria listed in Section E.1. Review Criteria. The POGI provides program-specific guidelines that all proposals must address fully.

A.5. Substantial Involvement:
In a cooperative agreement, the Department is substantially involved in program activities above and beyond routine monitoring. These activities are outlined in the attached Project, Objectives, Goals, and Implementation (POGI) document.

A.6. Non-Competitive Continuations (NCCs)
Proposal narratives should include a commitment to implement the program for the base year, plus two additional NCCs, pending successful performance and the availability of funds. The narrative should focus on details specific to the implementation of the base year program, with the understanding that the program design, duration, and participant numbers would be similar when/if the subsequent NCCs are exercised. ECA will perform an annual performance evaluation/review to determine if a NCC will be exercised. Satisfactory performance and the availability of funds are conditions of continued administration of the program and execution of all NCCs.

C. ELIGIBILITY INFORMATION

C.1.   Eligible Applicants

U.S. public and private academic and cultural institutions, exchange-of-persons, and other not-for-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) may submit applications for this competition. Applicants must have nonprofit status with the IRS at the time of application. Please see the Proposal Submission Instructions (PSI) for additional information.

C.2.   Other Eligibility Requirements

The following additional eligibility requirements apply to this NOFO announcement:

1.) ECA's grant guidelines require that organizations with less than four years of experience in conducting international exchanges be limited to $130,000 in ECA funding. ECA anticipates making one cooperative agreement in an amount of $10,000,000 to support

all costs required to implement this exchange program. Therefore, organizations with less than four years of experience in conducting international exchanges are ineligible to apply under this competition.

2.) All proposals must comply with the requirements stated in the NOFO, POGI (if applicable), and the Proposal Submission Instructions (PSI); non-compliance will result in your proposal being declared technically ineligible and given no further consideration in the review process.

3.) In order to be eligible to receive an award, all organizations must have a Unique Entity Identifier (UEI) number issued via www.SAM.gov as well as a valid registration on www.SAM.gov. Please see Section D.3 & D.5. for more information.

4.) Only *one* proposal will be considered by ECA from each applicant organization. In cases where more than one submission from an applicant appears in grants.gov, ECA will *only* consider the submission made closest in time to the NOFO deadline; that submission would constitute the one and only proposal ECA would review from that applicant.

   Please note: Applicant organizations are defined by their legal name, and EIN number as stated on their completed SF-424 and additional supporting documentation outlined in the Proposal Submission Instructions (PSI) document.

C.3.   Cost Sharing or Matching Funds
There is no minimum or maximum percentage of cost sharing required for this competition. However, ECA encourages applicants to provide maximum levels of cost sharing and funding in support of its programs. When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with the Office of Management and Budget's Guidance 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution may be reduced in like proportion.

D. APPLICATION AND SUBMISSION INFORMATION
Please read the complete announcement before sending inquiries or submitting proposals. Once the NOFO deadline has passed, ECA staff may not discuss this competition with applicants until the proposal review process has been completed.

D.1.   Solicitation Package Location

program and financial activity and reporting is completed on any issued award. Recipients must
review and update the information at least annually after the initial registration and more

D.6.   Responsibility/Qualification Information in SAM.gov (formerly, FAPIIS)
   1.) The Federal awarding agency, prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the U.S. government designated integrity and performance system accessible through SAM.gov (see 41 U.S.C. 2313);

   2.) An applicant, at its option, may review and comment on any information about itself that a Federal awarding agency previously entered. Currently, federal agencies create integrity records in the integrity module of the Contractor Performance Assessment and Reporting System (CPARS) and these records are visible as responsibility/qualification records in SAM.gov;

   3.) The Federal awarding agency will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in §200.206 Federal awarding agency review of risk posed by applicants.

D.7.   Required Registration with SAMS Domestic
All ECA award recipient organizations and recipient contacts and signatories must be registered with the U.S. Department of State's SAMS Domestic by accessing https://mygrants.servicenowservices.com and clicking the "create an account" link. SAMS Domestic is the U.S. Department of State's grants management system and is supported by the Department's Integrated Logistics Management System (ILMS). Recipient organizations and recipient contacts and signatories that have previously used SAMS Domestic as a U.S. Department of State award recipient do not need to register again. If the organization is not able to access the system, please contact the ILMS Help Desk for help in gaining access.

Support for Recipient Organizations and recipient contacts and signatories is available 24 hours, 7 days a week (except federal holidays), and can be reached at 1-888-313-ILMS (4567) or through the ILMS Self Service Portal at https://afsitsm.servicenowservices.com/ilms/.

In the event the ILMS Help Desk is unable to provide you with assistance in a timely manner, please contact ECA_SAMSDomestic@state.gov and copy the program officer associated with the solicitation.

Please take into consideration the following information when preparing your proposal narrative:

D.8.   Adherence To All Regulations Governing the J Visa
ECA places critically important emphasis on the security and proper administration of the Exchange Visitor (J visa) Programs and adherence by award recipients and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The award recipient will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at http://j1visa.state.gov or from:

Office of Private Sector Exchange Designation
U.S. Department of State
SA-5, Floor C2, Room C2L13
2200 C Street, NW
Washington, DC 20522

Please refer to Solicitation Package for further information.

D.9.   Diversity, Equity, Inclusion, and Accessibility (DEIA) and Freedom and Democracy Guidelines
Pursuant to ECA's authorizing legislation, "diversity" should be interpreted in the broadest sense and encompass differences including race, ethnicity, color, national origin, sex, age, disability, sexual orientation, gender identity or expression, religion, geographic location, education, income, socio-economic status, and other diversity dimensions, that may hinder inclusion. Proposals should demonstrate how diversity, equity, inclusion, and accessibility will enhance the program's goals and objectives and the participants' exchange experience. Proposals should demonstrate how the program will further engage diverse and underserved communities. Programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and

abroad. Please refer to the "Support of DEIA" review criterion of this document for more information on how this will be reviewed as a part of any application. Please also refer to the "Diversity, Equity, Inclusion, and Accessibility" section in the "Proposal Submission Instructions" document for specific suggestions on incorporating DEIA into the proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," ECA "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

D.10.   Program Performance Monitoring and Evaluation (M&E)

Distinct from grants or cooperative agreement monitoring and participant monitoring, performance monitoring is designed to assess progress against a program's goals and objectives. A performance monitoring framework is vital to tracking the direction, pace, and magnitude of change that result from ECA programs.

ECA created the Monitoring Data for ECA (MODE) Framework to measure the performance of ECA programs. **The MODE Framework provides standard indicators and corresponding survey questions to ensure consistent measures across all ECA programs.** More resources and guidance documents on the MODE Framework are available online at: https://eca.state.gov/impact/eca-monitoring-evaluation-learning-and-innovation-meli-unit/mode-framework-eca-applicants-and.

For this proposal, ECA requires the applicant include the MODE Framework objectives and indicators listed below (note that, because not all MODE objectives and indicators are relevant for a program, the numbering below will not be sequential). In addition to the ECA-required objectives and indicators, applicants may also select additional MODE Framework indicators (see the Indicator Book on the MODE Framework website), or design custom objectives and indicators that are specific to the proposed program and this proposal.

- Demographic Questions as outlined in the Indicator Book on page vi, and Performance Monitoring Plan (PMP) (https://eca.state.gov/impact/eca-monitoring-evaluation-learning-and-innovation-meli-unit/mode-framework-eca-applicants-and)
- Objective 1: Advance participant and beneficiary cross-cultural competence and global perspective
    - o Sub-Objective 1.1: Promote cultural exchanges and enhance understanding between participants and their host communities.

- E1.1.04: Percent of participants with more favorable opinions of the United States Government (core indicator)
- E1.1.09: Percent of participants who traveled abroad for the first time because of their program (core indicator)
- E1.1.10: Percent of foreign participants who traveled to the United States for the first time during their program (core indicator)

Performance Monitoring Plans (PMPs)

ECA recommends the use of a PMP to serve as the primary reference document for performance monitoring for this award. If used, the PMP is an important part of any proposal, as it outlines how the applicant plans to track progress towards the proposed program's goals and objectives through indicators and corresponding data collection questions. A PMP document that includes all MODE Framework indicators is a part of this solicitation's attachments. Specific instructions on how to modify the PMP to be responsive to this solicitation are included in that document. While ECA recommends the applicant use the PMP format provided, this is not a requirement. If a PMP is not included in the proposal, applicants should provide similar information to that found in the suggested PMP format, in a presentation of your choice. A training on how to complete a PMP is available here: https://eca.state.gov/impact/eca-monitoring-evaluation-learning-and-innovation-meli-unit/mode-framework-eca-applicants-and . Successful PMPs (or similar documentation) should include the following:

- Objectives. Programmatic objectives are statements of the condition(s) that state what the program is designed to achieve. Objectives are therefore bound by the resources and timeframe of the program and must be specific, measurable, attainable, relevant and time-bound (SMART; see the ECA Monitoring, Evaluation, Learning, and Innovation (MELI) Unit's pages on the ECA website for more information: https://eca.state.gov/impact/eca-evaluation-division/capacity-building). In addition to those outlined above, the applicant may propose other program objectives from the MODE Framework, the Functional Bureau Strategy (https://eca.state.gov/about-bureau), or other applicant-designed program-specific objectives.

- Indicators. Performance indicators are measures used to gauge progress toward programmatic objectives and sub-objectives. Indicators should be as specific as possible (following the SMART principles) and include any proposed disaggregations (meaning, breakdowns of the data by subgroups, such as gender or country; the PMP lists the demographic questions required to obtain the information necessary to report the disaggregations). Each indicator should also include a target number to be achieved. A target is a planned level of result to be achieved within an explicit timeframe.
  - o If you do not use the PMP format provided, note that any performance monitoring reference document the applicant submits should include the information in the column headers (Indicator Name, Definition, Target, Survey Question, etc.) in the PMP attachment at a minimum.
  - o In addition to those indicators outlined in above, the applicant may propose additional custom, program-specific indicators in the PMP (ECA recommends the proposed PMPs include a minimum of one indicator for each custom programmatic objective).
  - o During the period of performance of the award, the ECA program office may further revise, add, or remove indicators. Therefore, the applicant's PMP and data collection instruments should be flexible enough to incorporate those once established.

Award recipients are responsible for collecting indicator data only on participant outcomes during the period of performance of the award itself (see the PMP for guidelines as to when these data collection efforts should occur). ECA will measure outcomes of ECA participants at one, three, five, and 10 years after the exchange has ended to capture the long-term impact of ECA programming unless otherwise specified in the NOFO and/or POGI. In this instance, the recipient will be responsible for coordinating with ECA on any alumni surveys to de-duplicate questions and minimize potential survey fatigue.

Award recipients will be required to submit an upload of the raw data (in CSV format) along with the State Assistance Management System Domestic (SAMS-D RPM) reporting (see below). Regardless of the survey platform used, **all** MODE Framework survey questions outlined above are **required** (i.e., should be forced response); please see the Consent Language in the MODE Framework Indicator Book for more information on how to convey this to participants/survey respondents.

Program Performance M&E Narrative
The applicant should include information within the program narrative section(s) of the proposal that outlines how the applicant intends to measure the indicators listed above. This will be separate from the PMP and should include but not be limited to:

- An overview of resources available to the applicant that outline the team structure and responsibilities surrounding performance monitoring.

- The mechanism(s) through which surveys and other data collection tools (if applicable) will be administered, including which platform will be used, and when and how surveys will be advertised to participants – detailing strategies to ensure adequate survey response rates (https://eca.state.gov/files/bureau/eca_eval_division_survey_response_rates.pdf), and to reduce selection and non-response bias.
- A brief explanation of data analysis and reporting procedures.
- An overview of a proposed learning plan and feedback loops to ensure that the Grant Officer (GO)/Grant Officer Representative (GOR) are informed on performance monitoring issues at regular intervals.

SAMS-D RPM Reporting Requirements

The SAMS-D is a database solution that serves as the official system of record for all U.S. Department of State and ECA awards. The Results Performance Monitoring (RPM) module within SAMS-D is an extension module that enables users to report performance monitoring data in the same system where they currently manage federal assistance actions. As part of ECA's efforts to streamline data collection and management, the recipient(s) of this award will be required to input performance reporting data outlined in this solicitation into the SAMS-D RPM. The data stored in the SAMS-D RPM will provide ECA with a bureau-wide, uniform M&E reporting tool that is already linked with other elements of the awards familiar to existing awardees.

D.11. *Virtual Exchange Component*

When changing political, health, environmental, or other similar circumstances require a suspension or halt of in-person activities and where ECA determines that a virtual alternative is appropriate and viable, award recipients should demonstrate the ability and capacity to transition from in-person to virtual exchanges. Proposals should demonstrate the organization's capacity to provide innovative options for virtual activities to substitute for in-person engagement for program participants. Organizations should consider how they will implement virtual exchange activities, given the potential limits to internet access from participants in some locations and while continuing to advance foreign policy objectives and achieve lasting benefits for U.S. citizens and international participants.

In addition to planning for virtual exchange activities if in-person programming is prohibited, ECA welcomes innovative ideas on how organizations can leverage virtual programming technologies during or in addition to in-person programming. ECA encourages organizations submitting proposals in response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s) is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA's existing web and social networking platforms. Virtual exchange components would be

coordinated with and approved by the ECA program office and U.S. missions abroad on a project-by-project basis.

D.12.   Communications Guidance for ECA Recipients

All ECA Recipients must adhere to the requirements in [ECA's Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

D. 13. Celebration of America's Semiquincentennial

ECA is excited to play a key role in making the Semiquincentennial – commonly known as "America250" – a truly global celebration. As the period of performance for this award is scheduled to cover part or all of calendar year (CY) 2026, the applicant may wish to consider ways the program can celebrate America250. Any America250 focused activities or plans will be subject to ECA approval and direction, and changes may be requested by ECA. Use of any ECA-provided America250 brand elements will be subject to advance ECA approval and require adherence to Department of State and ECA guidelines for such branding.

D.14.   Budget Format

Applicants must submit SF-424A – "Budget Information – Non-Construction Programs" along with a comprehensive budget for the entire program. There must be a summary budget, a detailed budget, and a budget narrative. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

Please refer to section F.2. Administrative and National Policy Requirements of this document for more information on allowable costs. Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

D.15.a. Allowable costs for the program include the following:

- Staff salaries and benefits. Each staff person must be listed separately. Provide the percentage of time spent on the program.
- Other direct expenses
- Indirect costs

Participant Support Costs:
- Fellowship costs including, but not limited to, honoraria for speakers, educational materials, lodging, room rental(s), welcome and farewell events, and participant admissions;
- Closing event costs;
- Sub-awards;
- Travel costs including, but not limited to, round trip international airfare, visa travel, ground transportation, domestic travel, and other transit costs;

- Per participant allowances including baggage allowance, travel allowance ($100), book and cultural allowance ($200), and meals and incidentals;
- Alumni Programming/follow-on activities, including seed grants, Reciprocal Exchanges, etc.;
- Tax withholding;
- Wire transfer fees;
- Consultant fees;
- Web hosting;
- Communications (i.e., participant cell phones or sim cards);
- Recruitment and outreach materials;
- Medical contingency;
- Medical costs related to the pandemic including, but not limited to, testing and medically required quarantine (outside of medical facilities covered under ASPE);
- Reasonable accommodations; and
- Other cost categories as necessary

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

D.14.   Key Personnel
ECA recommends that the applicant identify intended key personnel positions via an asterisk (*) or other marking in the proposal budget, budget narrative, or a separate appendix. If not provided in the application, recipients must submit the names, titles, and brief biographical sketches of key personnel to the Grants Officer and GOR within 30 days of an award being issued. Additional information regarding key personnel requirements can be found in the State Department's Standard Terms and Conditions, VI. Recipient Responsibility and Compliance with Federal Requirements (link to: https://www.state.gov/about-us-office-of-the-procurement-executive/).

D.15.   NCCs
Pending successful performance and the availability of funds this award will utilize NCCs as discussed above.

D.15.a. For competitions that will exercise a NCC applicants must submit:
1.) The SF-424A which must include the budget request amount for the base-year of the program.
2.) A detailed proposal narrative and budget for the base year of funding (Please refer to the Proposal Submission Instruction Document (PSI) for general budget guidance.).   The narrative should also include a brief commitment to implement the program for the base year, plus two additional NCC years, pending successful program performance and the availability of funds.

3.) An abbreviated/estimated summary budget presenting the total projected costs for the anticipated total duration of programming (base year, plus two NCC years).

D.15.b. To exercise the NCC mechanism the recipient will be required to submit:
1.) Performance and financial reports on time.
2.) A request in writing to ECA at least 30 days in receipt of the NCC invitation.
3.) A summary budget that projects expenses through the end of the current year.
4.) A detailed budget outlining expenses for the requested NCC year.
5.) A brief narrative to support the continuation of the award.

D.15.c. For awards using NCCs, in addition to the Substantial Involvement for the Cooperative Agreement, the ECA Grants Officer and Program Officer will:

1.) Closely monitor the recipient's performance through site visits, desk audits, mandatory performance and financial reports, consultations, and other forms of communication and dialogue before exercising additional NCCs. (Additional details regarding monitoring and oversight of the program by ECA representatives will be provided at the time the base-year award is made.)

2.) Review and evaluate all quarterly or semi-annual program and financial reports.
   a. All program and financial reporting requirements must be current and up to date before ECA will exercise additional NCCs.
   b. Any/all concerns, issues, or modifications requested by the Grants Officer or Program Officer to the original program design or method of implementation must be responded to in writing.
   c. The ECA Grants Officer and Program Officer will review and advise of ECA's approval or disapproval of the response before issuing subsequent NCCs.

3.) Prior Grants Officer approval is required to utilize the remainder from an unobligated balance from a prior funding period to the subsequent funding period. If the Grants Officer determines that some or all of the unobligated funds are not necessary to perform the program activity, the Grants Officer may decline the Recipient's request to utilize the remainder from the unobligated balance.

   The Grants Officer may, at their discretion, use the unobligated balance to reduce or offset future funding for a subsequent funding period. An unobligated balance at the end of a funding period is not sufficient justification to utilize the remainder of funds. A final determination and approval to utilize the remainder of any funds will be communicated via a cost amendment with adjustment, if any, to new obligation amounts.

The request to utilize the remainder from an unobligated balance must include:

1.) A brief narrative why funds remain unobligated and how the unobligated funds will be used to complete the previously approved goals and objectives of the program.

2.) A detailed budget that reflects the amount of unobligated funds to date, and anticipated expenditures in the subsequent period of performance for all cost categories under the authorized budget.

D.16. Application Deadline and Method of Submission
Application Deadline Date: Friday, March 8, 2024
Method of Submission: Applications may only be submitted electronically through Grants.gov (https://www.grants.gov). Complete solicitation packages are available at Grants.gov in the "Search Grants" portion of the system.

D.18.a. How to Register to Apply through Grants.gov
Applicants should read instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required application submission deadlines. Applicants should check with appropriate staff within their organizations immediately after reviewing this NOFO to confirm or determine their registration status with Grants.gov. Organization applicants can find complete instructions here:
https://www.grants.gov/web/grants/applicants/organization-registration.html

D.18.b. How to Submit an Application to ECA via Grants.gov
For access to complete instruction on how to apply for Notice of Funding Opportunities on Grants.gov, refer to: https://www.grants.gov/web/grants/applicants/apply-for-grants.html

D.18.c. Grants.gov Support and Submission Issues
Direct all questions regarding Grants.gov registration and submission issues to:

Grants.gov Customer Support
Contact Center Phone: 800 -518-4726
Business Hours: 24 hours a day, 7 days a week; closed on federal holidays.
Email: support@grants.gov

D.18.d. Timely Receipt Requirements and Proof of Timely Submission

Applicants have until 11:59 p.m., Washington, DC time of the closing date to ensure that their entire application has been uploaded to the Grants.gov site. There are no exceptions to the above deadline. Applications uploaded to the site after the application deadline date and time will be automatically rejected by the Grants.gov system and will be found technically ineligible.

Therefore, we strongly recommend that you not wait until the application deadline to begin the submission process through Grants.gov.

Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant Authorized Organization Representative (AOR) will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with the successful transmission of their application. Applicant AORs will also receive the official date/time stamp and Grants.gov Tracking number in an email serving as proof of their timely submission.

When ECA successfully retrieves the application from Grants.gov, Grants.gov will provide an electronic acknowledgement of receipt of the application to the email address of the applicant with the AOR role. Again, proof of timely submission shall be the official date and time that Grants.gov receives your application. Please also be mindful of any Grants.gov generated error messages that may appear during the application process as they may result in some documents not transmitting correctly.

Applicants using slow internet should be aware that transmission can take some time before Grants.gov receives your application. Grants.gov will provide either an error or a successfully received transmission in the form of an email sent to the applicant with the AOR role. The Grants.gov Support Center reports that some applicants end the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application.

The Grants.gov website includes extensive information on all phases/aspects of the Grants.gov process, including an extensive section on frequently asked questions, located under the "Applicant FAQs" section of the website. ECA strongly recommends that all potential applicants review thoroughly the Grants.gov website, well in advance of submitting a proposal through the Grants.gov system. ECA will not notify you upon receipt of electronic applications.

PLEASE NOTE: ECA bears no responsibility for applicant timeliness of submission or data errors resulting from transmission or conversion processes for proposals submitted via Grants.gov. Prior to submitting applications through Grants.gov, please ensure you meet all Grants.gov system and software requirements, including Adobe software compatibility. You can verify if

your version of Adobe software is compatible with Grants.gov, by visiting
https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html.

It is the responsibility of all applicants submitting proposals via the Grants.gov web portal to ensure that proposals have been received by Grants.gov in their entirety, and ECA bears no responsibility for data errors resulting from transmission or conversion processes.

D.19. Intergovernmental Review of Applications
Executive Order 12372 does not apply to this program.

E.   APPLICATION REVIEW INFORMATION

E.1. Review Process
ECA will check that all proposals meet the technical requirements in this solicitation. Proposals that do not meet the guidelines, including those under the eligibility section above or in the PSI, will be ineligible for further review.

All eligible proposals will be reviewed by the program office before being reviewed by an ECA grant panel and may be reviewed by Public Diplomacy sections overseas, State Department regional bureaus, or other State Department offices, as appropriate. All reviewers, including the ECA grant panels will review any eligible proposals based on the criteria below. Recommended proposals will be reviewed for compliance with Federal and Bureau regulations and guidelines, and assessed for risk. Final funding decisions are made by the U.S. Department of State's Assistant Secretary for Educational and Cultural Affairs. Only an ECA Grant Officer has the final authority to issue assistance awards.

E.2. Review Criteria
An ECA grants panel will competitively evaluate all technically eligible applications according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation.

1.) **Quality of Program Plan and Ability to Achieve Program Objectives:** Proposals should exhibit originality and clearly demonstrate how the applicant will meet the objectives laid out in this solicitation. A detailed agenda and staff work plan should demonstrate substantive undertakings and logistical capacity. Activities should be reasonable, feasible, and form a coherent program for participant exploration of the topic. Competitive proposals will clearly promote ECA's mission: to foster mutual understanding between the people of the United States and the people of other countries to promote friendly and peaceful relations.

2.) **Support of DEIA:** Proposals should show how the program and your institution supports ECA's policy on diversity. Proposals should have a clear DEIA plan that is integrated into

all aspects of program administration, design, content, and implementation. Proposals should demonstrate how DEIA will enhance the program's goals, objectives, and the participants' exchange experience. Proposals should demonstrate how the program will further engage diverse and underserved communities. It is important that proposals have a clearly articulated DEIA plan and not simply express general support for the concept of DEIA.

3.) **Performance Monitoring and Evaluation (M&E):** Proposals should have a fully developed M&E plan that includes goals, objectives, and indicators. The plan should be feasible and aligned with the M&E section of this solicitation. Proposals should include a realistic learning plan that outlines how your organization plans to review, understand, and incorporate M&E data into programmatic decisions and practices. All submitted M&E plans will be reviewed to ensure the applicant has provided at least the required information outlined in the M&E section of this solicitation and demonstrated the applicant's capacity to carry out the M&E plan.

4.) **Cost-effectiveness and Cost-sharing:** The overhead components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate. Proposals should maximize cost-sharing through other private sector support, as well as institutional direct funding contributions.

5.) **Institutional Track Record and Ability:** Proposals should demonstrate an institutional record of successful exchange programs and responsible fiscal management. ECA will consider the past performance of prior recipients, including the timely submission of reports, and the demonstrated potential of new applicants. Proposals should include the necessary personnel and institutional resources to achieve the program results.

6.) **Follow-on Activities:** Proposals should discuss provisions made for follow-up with returned participants as a means of establishing longer-term individual and institutional linkages. Proposals also should provide a plan for continued follow-on activity (without ECA support) ensuring that ECA supported programs are not isolated events. Please see the POGI for additional information on follow-on activities.

F.   FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Award Notices
Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal ECA procedures. Successful applicants will receive a Federal Assistance Award (FAA) from the ECA's Grants Division. The FAA and the original proposal with subsequent modifications (if applicable) shall be the only binding authorizing document between the recipient and the U.S. Government. The FAA will be signed by an authorized

Grants Officer and transmitted to the recipient's responsible officer as identified in the application.

Unsuccessful applicants will receive notification of the results of the application review from the ECA program office coordinating this competition following the completion of the review process.

F.2. Administrative and National Policy Requirements:
Before submitting an application, applicants should review all the terms and conditions and required certifications which will apply to this award, to ensure that they will be able to comply.

Terms and Conditions applicable to all ECA agreements include:
- Office of Management and Budget's Guidance 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- U.S. Department of State Standard Terms and Conditions.

For a copy of the OMB Guidance cited, please download from the www.ecfr.gov website.

For a copy of the U.S. Department of State Standard Terms and Conditions, or to review other Department of State assistance information, please download from:
https://www.state.gov/about-us-office-of-the-procurement-executive/

F.3. Region and Topic Specific requirements
Please see sections A.3 on Program Specific Guidelines and A.4 on Recipient Responsibilities for information on regional and thematic requirements.

F.4. Reporting Requirements
Recipients will be required to submit financial reports and program reports. The award document will specify how often these reports must be submitted. All reports must be submitted in a timely manner. For planning purposes, applicants can expect to provide ECA with an electronic copy of the following required reports:

1.) Performance Progress Reports (PPRs) shall be required at a minimum annually and no more frequently than quarterly. Annual reports shall be due 120 calendar days after the cooperative agreement; quarterly or semi-annual reports shall be due 30 days after the reporting period. (Frequency of these reports will be determined by the Grants Officer and Program Officer.) The complete report and supporting documentation must be uploaded by the Recipient as a *Post Award Activity* under the corresponding record for this Cooperative Agreement/Grant in the U.S. Department of State's SAMS Domestic.

2.) The Federal Financial Report (FFR SF-425/SF-425a) must be submitted through the U.S. Department of Health and Human Services' Payment Management System (PMS). The electronic version of the FFR can be accessed at: http://www.dpm.psc.gov/. Once a financial report has been approved by the Department, the Recipient must upload the approved report to SAMS Domestic, in the same manner specified for the programmatic reports. Failure to comply with these reporting requirements may jeopardize the Recipient's eligibility for future Cooperative Agreements/Grants.

In the event you are having difficulty uploading reports and the ILMS help desk is not providing sufficient assistance, please email ECA_SAMSDomestic@state.gov.

3.) A final program and financial report no more than 120 days after the expiration or termination of the award.

4.) Because the competition will allow for the exercise of NCCs, applicants must submit program and financial reports on time. The due dates for these reports will be included in the cooperative agreement. The program and financial reports must demonstrate substantial progress by addressing progress towards the original approved goals and objectives, relative activities and events, and supporting fiscal data. The reports will be reviewed by both the assigned Grant Officer and Program Officer.

Award recipients will be required to provide reports analyzing their evaluation findings to ECA in their regular program reports. (Please refer to D.10. Program Performance Monitoring and Evaluation (M&E) information.)

All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to ECA upon request.

F.5. Program Data Requirements: Award recipients will be required to maintain specific data on program participants and activities in an electronically accessible database format that can be shared with ECA as required. At a minimum, the data must include the following:

1.) Name, address, contact information and biographic sketch of all persons who travel internationally on funds provided by the agreement or who benefit from the award funding but do not travel.

2.) Itineraries of international and domestic travel, providing dates of travel and cities in which any exchange experiences take place. Final schedules for in-country and U.S. activities must be received by the ECA Program Officer at least three workdays prior to the official opening of the activity.
