Bureau of Educational and Cultural Affairs (ECA) Notice of Funding Opportunity

(NOFO): FY 2019 Youth Leadership Program with Burma

Announcement Type: New Cooperative Agreement

Funding Opportunity Number: SFOP0005509

Catalog of Federal Domestic Assistance Number: 19.415

Key Date/Application Deadline: February 25, 2019

Program Description/Executive Summary:

The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs announces an open competition for the Youth Leadership Program with Burma. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) may submit proposals to conduct a four-week U.S.-based exchange program for teenagers and adult educators. Participants will be high-school-aged youth and adult educators. Applicants should plan to provide U.S.-based programming for 17-18 youth and 2-3 adult participants from Burma. The activities for each program will focus on civic education, community engagement, diversity, and leadership and prepare participants to conduct projects at home that serve a community need.

Applicants may submit only one proposal under this competition. If multiple proposals are received from the same applicant, all submissions will be declared ineligible and receive no further consideration in the review process

It is the Bureau's intent to award one cooperative agreement, which includes one base year plus the possibility of two non-competitive continuations for an estimated total amount of \$570,000. Please see section B. Federal Award Information below for additional details.

A. Program Description:

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: Youth Leadership Programs are designed to promote high-quality civic engagement, civic responsibility, and leadership among future leaders. They offer an examination of the principles of democracy and civil society as practiced in the United States and provide participants with training that allows them to develop their leadership skills. The applicant should present a program plan that allows the participants to thoroughly explore civic life in the United States in a creative, memorable, and hands-on way. Activities should be designed to be

replicable and provide practical knowledge and skills that the participants can apply to school and community activities at home. Participants will stay with host families who have been recruited and screened by the award recipient. Applicants should devise a program with multiple opportunities for participants to interact with American youth and educators.

The program goals are to:

- 1) Prepare Burmese youth leaders to become responsible citizens and contributing members of their communities;
- 2) Empower participants to be actively engaged in addressing issues of concern in their schools and communities upon their return home;
- 3) Build mutual understanding, tolerance, and respect through shared culture and values between people of the United States and the people of Burma; and
- 4) Foster relationships among youth from different ethnic, racial, religious, and national groups.

The objectives of the program are for participants to:

- 1) Demonstrate a better understanding of community engagement as practiced in the United States;
- 2) Deepen critical thinking, problem-solving, and leadership skills; and
- 3) Develop program planning and implementation skills to bring community project ideas to fruition.

The primary themes of the program are:

- 1) Civic Education (such as citizen participation, grassroots democracy, rule of law, anti-bullying, and/or other mission priorities);
- 2) Community Engagement (social/corporate responsibility, volunteerism, and philanthropy);
- 3) Respect for Diversity (including ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities); and
- 4) Youth Leadership Development (such as team building, public speaking, negotiation, goal setting, and project planning);

Program: A successful program will nurture the participants' leadership development and equip them with the knowledge, skills, and confidence to become effective advocates of community engagement. Successful applicants will present a plan to engage the participants in issues of concern in their schools and communities upon their return home.

The Youth Leadership Program with Burma will focus primarily on civic education, community service, and youth leadership. Participants also will gain a more thorough understanding of how democracy is practiced in the United States, particularly at the grassroots level, including community engagement, minority rights, and the responsibilities of citizens. A proposed program should provide information, skills-development, and experiences that participants can readily build upon when returning home. The program must also include opportunities for the adult educators to work with their American counterparts to develop their leadership and mentoring skills.

A subtheme within these overarching themes should be incorporated into the proposed exchange, such as business and entrepreneurship, media literacy (including social media), the environment, health, conflict resolution, or other topics relevant to Burma. For example, a media literacy subtheme could delve into how critical thinking skills are necessary to evaluate news stories and social media posts.

The program aims to advance dialogue and encourage substantive interactions between Americans and citizens of Burma. Exchange delegations must have multiple opportunities to meet and interact with American students of a similar age in a substantive way. Applicants are urged to present creative plans that will foster interaction between the participants and American youth. Proposals that include a plan to demonstrate impact on American youth and communities will be more competitive.

Applicants should propose to implement a four-week exchange to the United States. The exchange will take place in spring 2020, preferably beginning in early April.

Participants: Approximately 20 Burmese participants will travel to the United States, in a contingent composed of approximately 17-18 youth and approximately 2-3 adult participants. The youth participants will be students who are between the ages of 15 and 19 at the start of the exchange. Students who are attending university or college at the start of the program as well as students who have completed high school but have not yet begun post-secondary studies at program inception are eligible for program selection. Criteria for selection of all participants will be leadership skills, an interest in service to the community, strong academic and social skills, overall composure, and openness and flexibility. Participants will be proficient in the English language. Participant recruitment and nomination will be the responsibility of the U.S. embassy. ECA will make the final participant selections.

Responsibilities: In a cooperative agreement, ECA is substantially involved in program activities above and beyond routine monitoring. These activities and the roles and responsibilities of the Department and your organization are outlined in the attached POGI.

Proposal narratives should include a brief commitment to implement the program for the base year, plus two additional non-competitive continuations, pending successful performance and the availability of funds. The narrative should focus on details specific to the implementation of the FY 2019 base year program, with the understanding that the program design, duration, and participant numbers would be similar when/if the subsequent two non-competitive continuations are exercised in FY 2020 and FY 2021. ECA will perform an annual performance evaluation/review to determine if a non-competitive continuation will be exercised. Satisfactory performance and the availability of funds is a condition for continued administration of the program and execution of all non-competitive continuations.

C. Eligibility Information:

C.1. Eligible applicants: Applications may be submitted by U.S. public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3).

C.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs that are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with the Office of Management and Budget's Guidance 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

C.3. Other Eligibility Requirements:

a) Bureau grant guidelines require that organizations with less than four years of experience in conducting international exchanges be limited to \$130,000 in Bureau funding. ECA anticipates making one award, in an amount of \$190,000 in the FY 2019 base year to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years of experience in conducting international exchanges are ineligible to apply under this competition.

b) Technical Eligibility: All proposals must comply with the requirements stated in the NOFO, POGI, and the Proposal Submission Instructions (PSI); non-compliance will result in your proposal being declared technically ineligible and given no further consideration in the review process.

c) Eligible applicants may not submit more than one proposal in this competition. If more than one proposal is received from the same applicant, all submissions will be declared technically ineligible and will receive no further consideration in the review process. **Please note:** Applicant organizations are defined by their legal name, and EIN number as stated on their completed SF-424 and additional supporting documentation outlined in the Proposal Submission Instructions (PSI) document.

Please take into consideration the following information when preparing your proposal narrative:

D.3h. Adherence To All Regulations Governing The J Visa: The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this NOFO, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR 62, which covers the

administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations receiving awards (either a grant or cooperative agreement) under this NOFO will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62. If your organization has experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss its record of compliance with 22 CFR 62 et. seq., including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://j1visa.state.gov> or from:

Office of Designation, Private Sector Programs Division
U.S. Department of State
SA-4E (Bldg. 3)
2430 E Street, NW
Washington, DC 20037

Please refer to Solicitation Package for further information.

D.3i. Diversity, Freedom and Democracy Guidelines: Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and abroad. 'Diversity' should be interpreted in the broadest sense and encompass differences including race, color, national origin, sex, age, religion, geographic location, socio-economic status, disability, sexual orientation or gender identity. Proposals should demonstrate how diversity will enhance the program's goals and objectives and the participants' exchange experience. Please refer to the review criteria under the 'Support of Diversity' section of this document as well as the DIVERSITY, FREEDOM AND DEMOCRACY section in the "Proposal Submission Instructions" document for specific suggestions on incorporating diversity into the total proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the fullest extent deemed feasible.

D.3j. Program Monitoring and Evaluation: Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this NOFO.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the NOFO (listed here in increasing order of importance):

- 1) **Participant satisfaction** with the program and exchange experience.
- 2) **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
- 3) **Participant behavior**, such as concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation

of experiences and new knowledge gained; continued contacts between participants, community members, and others.

- 4) **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it:

- 1) specifies intended outcomes;
- 2) gives clear descriptions of how each outcome will be measured;
- 3) identifies when particular outcomes will be measured; and
- 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups).

Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

D.3k. Virtual Exchange Component: ECA welcomes innovative ideas on how organizations can leverage appropriate mobile and/or online technologies to maintain engagement among exchange participants, encourage project collaboration and widen participation in the overall project to a broader audience. ECA strongly encourages organizations submitting proposals in response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s), defined as technology-enabled, sustainable, people-to-people, cross-cultural exchanges, is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA's existing web and social networking platforms, including our [International Exchange Alumni](#) space. Virtual exchange components would be coordinated with and approved by the ECA program office and U.S. missions abroad on a project-by-project basis.

D.3l. Communications Guidance for ECA Grant Recipients: All ECA Grant Recipients must adhere to the requirements in [ECA's Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

D.3m. Please take the following information into consideration when preparing your budget:

D.3n. Applicants must submit SF-424A – “Budget Information – Non-Construction Programs” along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

For competitions that will be renewed through a Non-Competitive Continuation, applicants must submit:

- 1) the SF-424A which must include the budget request amount for the base-year of the program;
- 2) a detailed proposal narrative and budget for the base year of funding (Please refer to the Proposal Submission Instructions Document (PSI) for general budget guidance.). The narrative should also include a brief commitment to implement the program for the base year, plus two additional non-competitive continuation years, pending successful program performance and availability of funds; and
- 3) an abbreviated/estimated summary budget presenting the total projected administrative and program costs for the anticipated total duration of programming (base year, plus two Non-Competitive Continuation years).

To exercise the Non-Competitive Continuation mechanism the recipient will be required to submit:

- 1) timely quarterly or semi-annual performance and financial reports;
- 2) a request in writing to ECA at least 90 days in advance of the expiration of the current program year;
- 3) a summary budget that projects program expenses through the end of the current year;
- 4) a detailed budget outlining both administrative and program expenses for the requested Non-Competitive Continuation year; and
- 5) a brief narrative to support the continuation of the award.

The ECA Grants Officer and Program Officer will:

- 1) closely monitor the recipient’s performance through site visits, desk audits, mandatory quarterly or semi-annual performance and financial reports, consultations, and other forms of communication and dialogue before exercising additional non-competitive continuations. (Additional details regarding monitoring and oversight of the program by ECA representatives will be provided at the time the base-year award is made.)
- 2) review and evaluate all mandatory quarterly or semi-annual program and financial reports:
 - a) All program and financial reporting requirements must be current and up-to-date before the Bureau will exercise additional Non-Competitive Continuations.
 - b) The applicant must respond in writing to any/all concerns, issues, or modifications to the original program design or method of implementation requested by the Grants Officer or Program Officer.
 - c) The ECA Grants Officer and Program Officer will review and advise of ECA’s approval or disapproval of the response before issuing subsequent Non-Competitive Continuations.

Prior Grants Officer approval is required to carry forward an unobligated balance from a prior funding period to the subsequent funding period. If the Grants Officer determines that some or all of the unobligated funds are not necessary to perform the program activity, the Grants Officer may decline the Recipient's request to carry forward the unobligated balance.

The Grants Officer may, at their discretion, use the unobligated balance to reduce or offset future funding for a subsequent funding period. An unobligated balance at the end of a funding period is not sufficient justification to carry forward funds. A final determination and approval to carry forward any funds will be communicated via a cost amendment with adjustment, if any, to new obligation amounts.

The request to carry forward an unobligated balance must include:

- a) A brief narrative why funds remain unobligated and how the unobligated funds will be used to complete the previously approved goals and objectives of the program; and,
- b) A detailed budget that reflects the amount of unobligated funds to date, and anticipated expenditures in the subsequent period of performance for all cost categories under the authorized budget.

D.3o. Allowable costs for the program are outlined in the POGI.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas and State Department regional bureaus, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. All awards will be assessed for risk prior to their issuance. Final funding decisions are at the discretion of the U.S. Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards resides with the Bureau's Grants Officer.

E.1. Review Criteria:

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

- 1) **Quality of the program idea:** Objectives should be reasonable, feasible, and flexible. The proposal should clearly demonstrate how the institution will meet the program's objectives and plan. The proposed program should be creative and age-appropriate, respond to the design outlined in the solicitation, and demonstrate originality. It should be clearly and accurately written, substantive, and with sufficient detail. Proposals should also include a plan to support participants' community activities upon their return home.
- 2) **Program planning:** A detailed agenda and work plan should clearly demonstrate how project objectives would be achieved. The program agenda and plan should adhere to the program overview and guidelines described above. The substance of workshops, seminars,

presentations, school-based activities, site visits, and follow on project planning should be described in detail.

- 3) **Support of Diversity:** The proposal should demonstrate substantive support of ECA's policy on diversity. Achievable and relevant features should be cited in both program administration (program venue and the recruitment and selection of host families) and program content (orientation and wrap-up sessions, program meetings, resource materials, and follow-up activities).
- 4) **Institutional Capacity and Track Record:** Proposed personnel and institutional resources should be adequate and appropriate to achieve the program goals. The proposal should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past ECA awards as determined by ECA Grants Staff. ECA will consider the past performance of prior recipients and the demonstrated potential of new applicants.
- 5) **Project Evaluation:** Proposals should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. A draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives is recommended.
- 6) **Cost-effectiveness and Cost Sharing:** The applicant should demonstrate efficient use of ECA funds. The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate. Proposals should maximize cost-sharing through other private sector support as well as institutional direct funding contributions, which demonstrates institutional and community commitment.
- 7) **Follow-on Activities:** Proposals should provide a plan for continued follow-on activity (without ECA support) ensuring that ECA supported programs are not isolated events.

F. Federal Award Administration Information:

F.1. Award Notices: Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures. Successful applicants will receive a Federal Assistance Award (FAA) from the Bureau's Grants Office. The FAA and the original proposal with subsequent modifications (if applicable) shall be the only binding authorizing document between the recipient and the U.S. Government. The FAA will be signed by an authorized Grants Officer, and transmitted to the recipient's responsible officer identified in the application.

Unsuccessful applicants will receive notification of the results of the application review from the ECA program office coordinating this competition.

F.2 Administrative and National Policy Requirements: Terms and Conditions for the Administration of ECA agreements include the following: Office of Management and Budget's Guidance 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Effective December 26, 2014, replacing the previous circulars).

For a copy of the OMB Guidance cited, please contact the U.S. Government Publishing Office or download from the www.ecfr.gov website.

Please reference the following websites for additional information:

F.3. Reporting Requirements: You must provide ECA with an electronic copy of the following required reports:

Mandatory:

- 1) Additional performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the expiration of the award; quarterly or semi-annual reports shall be due 30 days after the reporting period. (Frequency of these reports will be determined by the Grants Officer and Program Officer). The complete report and supporting documentation must be uploaded by the Recipient as a *Post Award Activity* under the corresponding record for this Cooperative Agreement/Grant in the U.S. Department of State's [SAMS Domestic](#). SAMS Domestic is the U.S. Department of State's grants management system and is supported by the Department's Integrated Logistics Management System (ILMS). For assistance, please contact the U.S. Department of State's ILMS Help Desk at 1-888-313-4567 (toll free for US callers) or through the U.S. Department of State's ILMS Self Service Portal at <https://afsitsm.service-now.com/ilms/home>. The Federal Financial Report (FFR SF-425/SF-425a) must be submitted through the Payment Management System (PMS). The electronic version of the FFR can be accessed at: <http://www.dpm.psc.gov/>. Once a financial report has been approved by the Department, the Recipient must upload the approved report to [SAMS Domestic](#), in the same manner specified for the programmatic reports. Failure to comply with these reporting requirements may jeopardize the Recipient's eligibility for future Cooperative Agreements/Grants.

In the event you are having difficulty uploading reports and the ILMS help desk is not providing sufficient assistance, please email ECA_SAMSDomestic@state.gov.

- 2) A final program and financial report no more than 90 days after the expiration or termination of the award;
- 3) A concise, one-page final program report summarizing program outcomes no more than 90 days after the expiration of the award. This report should be e-mailed to: FFATAECA@state.gov. This one-page report will be transmitted to OMB, and be made available to the public via OMB's USAspending.gov website - as part of ECA's Federal Funding Accountability and Transparency Act (FFATA) reporting requirements.
- 4) Because the Competition will allow for the exercise of Non-Competitive Continuations (NCC), applicants must be placed on a mandatory quarterly or semi-annual program and financial reporting cycle. The due dates for these reports will be included in the final assistance award document. The program and financial reports must demonstrate substantial progress by addressing progress towards the original approved goals and objectives, relative

activities and events, and supporting fiscal data. The reports will be reviewed by both the assigned Grant Officer and Program Officer.

Award recipients will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. (Please refer to D.3j. Program Monitoring and Evaluation information.)

All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

F.4. Program Data Requirements: Award recipients will be required to maintain specific data on program participants and activities in an electronically accessible database format that can be shared with the Bureau as required. At a minimum, the data must include the following:

- 1) Name, address, contact information and biographic sketch of all persons who travel internationally on funds provided by the agreement or who benefit from the award funding but do not travel.
- 2) Itineraries of international and domestic travel, providing dates of travel and cities in which any exchange experiences take place. Final schedules for in-country and U.S. activities must be received by the ECA Program Officer at least three work days prior to the official opening of the activity.
