**Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals:**

FY2014 Global Undergraduate Exchange Program in Pakistan

**Announcement Type:** New Cooperative Agreement

**Funding Opportunity Number:** ECA-ECAAE-14-022

**Catalog of Federal Domestic Assistance Number:** 19.009

**Application Deadline:** June 20, 2014

**Executive Summary:** The Office of Academic Exchange Programs of the Bureau of Educational and Cultural Affairs, U.S. Department of State announces an open competition to administer the FY2014 Global Undergraduate Exchange Program in Pakistan. Public and private non-profit organizations or consortia of eligible organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) in the United States may submit proposals to organize and carry out academic exchange activities for students from underrepresented sectors in Pakistan. The recipient organization will be responsible for the following aspects of the program: placement of no fewer than 250 foreign students at accredited U.S. institutions (125 fall semester 2015, 125 spring semester 2016), student travel to the U.S., arrival orientation, enrichment programming, advising, monitoring and support, re-entry workshop, evaluation, and follow-up with program alumni. Support for this program is being provided from FY2013/2014 Economic Support Funds (ESF) that are being transferred to ECA for obligation. It is anticipated that the total amount of funding for FY2014 administrative and program costs will be up to \$5,393,250 pending availability of funds.

**I. Funding Opportunity Description:**

**Authority:**

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation. Funding for this program is being provided from FY2013/2014 Economic Support Funds.

**Purpose:**

The principal objective of the FY2014 Global Undergraduate Exchange Program in Pakistan (herein referred to as "Global UGRAD – Pakistan") is to provide a substantive exchange experience at a U.S. college or university to a diverse group of emerging student leaders from underrepresented socio-economic and geographic sectors in Pakistan. In this context, the recipient organization should ensure that participants are able to enroll full-time in courses at U.S. institutions alongside U.S. peers, and provide the participants with opportunities and enrichment activities designed to help them understand the U.S. and U.S. citizens inside and outside the classroom.

Participants will return to their home country at the conclusion of the exchange program to re-enter colleges and universities there, and re-integrate with their home societies.

An objective of the program is to provide participants with tailored instruction in the academic skills and study habits required to be successful at the undergraduate level as well as be better prepared for higher level studies in the U.S. in the future.

The Global UGRAD – Pakistan Program will provide no fewer than 250 scholarships – 125 for fall semester of 2015, 125 for spring semester of 2015 – at U.S. institutions of higher education to outstanding students from non-elite sectors in Pakistan. Scholarships will be granted primarily to students who are currently enrolled in an undergraduate degree program in their home country, although students just completing their final year of high school will also be eligible. The recipient organization will place participants in non-degree programs at both two- and four-year U.S. colleges and universities.

The recipient organization should develop enrichment activities to enhance the participants' academic education, including having students participate in community service and make local presentations about their countries. All participants are required to return to their home countries immediately upon the conclusion of the program. Transfers of academic program or visa sponsorship of participants to another U.S. institution will not be considered.

ECA will award one cooperative agreement for this program. Programs and projects must conform to Bureau requirements and guidelines outlined in the Solicitation Package. ECA programs are subject to the availability of funds.

Programs must comply with J-1 Visa regulations. Please refer to the Solicitation Package for further information.

In a cooperative agreement, the South and Central Asia Programs Branch of the Office of Academic Exchange Programs in the Bureau of Educational and Cultural Affairs (ECA/A/E/SCA) is substantially involved in program activities above and beyond routine grant monitoring. ECA/A/E/SCA activities and responsibilities for this program are, but not limited to, the following:

1. Participating in the design and direction of program activities;
2. Approval of key personnel;
3. Finalizing selection of program participants who will be recruited by the Fulbright Commission in Pakistan;
4. Approving and providing input for all program agendas and timelines;
5. Reserving the right to have input on final host institution selections;
6. Providing final approval, after thorough consultation with the cooperating agency, of all student placements;
7. Providing guidance in execution of all project components;

8. Arranging for Department of State speakers during workshops;
9. Advising and consulting about participant emergencies;
10. Providing background information related to participants' home country and cultures; and
11. Serving as liaison with the Pakistan Fulbright Commission, Public Affairs Section (PAS) of the U.S. Embassy, and country desk officers at the Department of State.

NOTE: All materials, publicity, and correspondence related to the program must acknowledge this as a program of the Bureau of Educational and Cultural Affairs, U.S. Department of State. The Bureau will retain copyright use of and distribute materials related to this program as it sees fit.

## **II. Award Information:**

**Type of Award:** Cooperative Agreement. ECA's level of involvement in this program is listed under number I above.

**Fiscal Year Funds:** FY2014

**Approximate Total Funding:** \$5,393,250

**Approximate Number of Awards:** 1

**Anticipated Award Date:** Pending availability of funds, the anticipated program start date will be September 30, 2014.

**Anticipated Project Completion Date:** December 31, 2016

**Additional Information:** At this time, ECA cannot predict whether additional Economic Support Funds (ESF) or other funding will be made available to support additional programs in FY2015 and FY2016. However, pending successful implementation of this program and the availability of funds in subsequent fiscal years, ECA reserves the right to renew this cooperative agreement for two additional consecutive fiscal years, before openly competing it again.

## **III. Eligibility Information:**

**III.1. Eligible applicants:** Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3).

**III.2. Cost Sharing or Matching Funds:** There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23 - Cost Sharing

and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

### **III.3. Other Eligibility Requirements:**

a.) Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$130,000 in Bureau funding. ECA anticipates making one award, in an amount up to \$5,393,250 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

b.) **Technical Eligibility:** All proposals must comply with the following or they will result in your proposal being declared technically ineligible and given no further consideration in the review process.

- Eligible applicants may not submit more than one proposal in this competition.
- If more than one proposal is received from the same applicant, all submissions will be declared technically ineligible and will receive no further consideration in the review process. **Please note:** Applicant organizations are defined by their legal name, and EIN number as stated on their completed SF-424 and additional supporting documentation outlined in the Proposal Submission Instructions (PSI) document.

### **IV. Application and Submission Information:**

Please take into consideration the following information when preparing your proposal narrative:

#### **IV.3d.1           ADHERENCE TO ALL REGULATIONS GOVERNING THE J VISA**

The Bureau of Educational and Cultural Affairs places critically important emphases on the security and proper administration of the Exchange Visitor (J visa) Programs and adherence by award recipients and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The award recipient will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://J1visa.state.gov> or from:

Office of Designation, Private Sector Programs Division  
U.S. Department of State  
SA-44, Suite 668  
301 4<sup>th</sup> Street, SW  
Washington, DC 20547

Please refer to Solicitation Package for further information.

#### **IV.3d.2 Diversity, Freedom and Democracy Guidelines**

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and abroad. "Diversity" should be interpreted in the broadest sense and encompass differences including race, color, national origin, sex, age, religion, geographic location, socio-economic status, disability, sexual orientation or gender identity. Proposals should demonstrate how diversity will enhance the program's goals and objectives and the participants' exchange experience. Please refer to the review criteria under the 'Support of Diversity' section of this document as well as the DIVERSITY, FREEDOM AND DEMOCRACY section in the "Proposal Submission Instructions" document for specific suggestions on incorporating diversity into the total proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

#### **IV.3d.3 Program Monitoring and Evaluation**

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The

evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.
2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

**Please note:** Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the

first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3d.4. **Virtual Exchange Component:** ECA welcomes innovative ideas on how organizations can leverage appropriate mobile and/or online technologies to maintain engagement among exchange participants, encourage project collaboration and widen participation in the overall project to a broader audience. ECA strongly encourages organizations submitting proposals in response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s), defined as technology-enabled, sustainable, people-to-people, cross-cultural exchanges, is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA's existing web and social networking platforms, including our International Exchange Alumni space. Virtual exchange components would be coordinated with and approved by the ECA program office and U.S. missions abroad on a project by project basis.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1. **Communications Guidance for ECA Grant Recipients:** All ECA Grant Recipients must adhere to the requirements in [ECA's Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

IV.3e.2. Applicants must submit SF-424A – “Budget Information – Non-Construction Programs” along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

IV.3e.3. Allowable costs for the program include the following:

- 1.) Participant expenses
- 2.) Administrative costs

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

## **V. Application Review Information**

### **V.1. REVIEW PROCESS**

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas and State Department regional bureaus, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards resides with the Bureau's Grants Officer.

### **REVIEW CRITERIA**

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

- 1. Quality of the program idea:** Proposals should exhibit originality, substance, precision, and relevance to the Bureau's mission.
- 2. Program planning:** Detailed agenda and relevant work plan should demonstrate substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above.
- 3. Ability to achieve program objectives:** Objectives should be reasonable, feasible, and flexible. Proposals should clearly demonstrate how the institution will meet the program's objectives and plan.
- 4. Multiplier effect/impact:** Proposed programs should strengthen long-term mutual understanding, including maximum sharing of information and establishment of long-term institutional and individual linkages.
- 5. Support of Diversity:** Proposals should show substantive support of the Bureau's policy on diversity. Proposals should demonstrate how diversity will be achieved in the

different aspects of program administration and of program design, content, and implementation (orientation and re-entry workshops, participant placement, program meetings, resource materials, and follow-up activities). It is important that proposals have a clearly articulated diversity plan and not simply express general support for the concept of diversity.

**6. Institutional Capacity:** Proposed personnel and institutional resources should be adequate and appropriate to achieve the program's goals.

**7. Institution's Record/Ability:** Proposals should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau awards as determined by Bureau Grants Staff. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants.

**8. Follow-on Activities:** Proposals should provide a plan for continued follow-on activity (with minimal Bureau support) ensuring that Bureau supported programs are not isolated events.

**9. Project Evaluation:** Proposals should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. The Bureau recommends that the proposal include a draft survey questionnaire or other technique plus description of a methodology to use to link outcomes to original project objectives.

**10. Cost-effectiveness:** The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate.

**11. Cost-sharing:** Proposals should maximize cost-sharing through other private sector support as well as institutional direct funding contributions.

**12. Value to U.S. – Partner Country Relations:** Proposed projects should receive positive assessments by the U.S. Department of State's geographic area desk and overseas officers of program need, potential impact, and significance in the partner country.
