Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: 
FY 2015 Global Undergraduate Exchange Program  
Announcement Type: New Cooperative Agreement

Funding Opportunity Number: ECA-ECAAE-15-003  
Catalog of Federal Domestic Assistance Number: 19.009  
Application Deadline: August 18, 2014  
Executive Summary:

The Office of Academic Exchange Programs of the Bureau of Educational and Cultural Affairs announces an open competition for the administration of the FY 2015 Global Undergraduate Exchange Program (Global UGRAD). The total amount of funding for this award will be up to $5,475,000, pending the availability of FY 2015 funds. Public and private non-profit organizations meeting the provisions described in IRS regulation 26 CFR 1.501(c) (3) may submit proposals to cooperate with the Bureau in the administration and implementation of the Global UGRAD Program. Organizations with less than four years of experience in conducting international exchange programs are not eligible for this competition. See Section III.3. Other Eligibility Requirements for further information.

The Global UGRAD Program selects outstanding underserved students from East Asia and the Pacific, Europe and Eurasia, the Near East, South and Central Asia, Sub-Saharan Africa, and the Western Hemisphere to receive scholarships for one semester of non-degree study at U.S. institutions of higher education. Some students may also participate in one additional semester of pre-academic English language training. Funding should
support a minimum of 244 participants. Every effort should be made to maximize the number of scholarships awarded.

I. **Funding Opportunity Description: Authority:**

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

**Purpose:** The Global UGRAD Program is designed to promote mutual understanding by awarding outstanding, underserved undergraduate students from East Asia and the Pacific, Europe and Eurasia, the Near East, South and Central Asia, Sub-Saharan Africa, and the Western Hemisphere full scholarships for one semester of non-degree undergraduate study at accredited two- and four-year institutions of higher education in the United States. Students enhance their academic education with community service activities and professional development workshops and short-term internships. The academic component of the program begins in the spring semester of academic year
2015-2016, with pre-academic English language training take place during the fall semester. At the end of their academic programs, students are required to immediately return to their home countries.

Applicant organizations must demonstrate the ability to administer all aspects of the Global UGRAD Program, including administering full scholarships for one semester of non-degree undergraduate study for visiting students at accredited two- and four-year institutions of higher education in the United States. Additional administrative responsibilities include, but are not limited to: the development of promotional and application materials, and the provision of these materials to Public Affairs Sections of U.S. embassies; the recruitment and selection of appropriate host institutions throughout the United States; the placement of student nominees at host institutions; the development and oversight of in-person or virtual pre-departure orientation workshops, as well as virtual arrival orientation workshops; the management of travel arrangements; the administration of pre-academic English language programming; monitoring and support of program participants; the oversight and planning of community service and professional development activities; the management of program finances; the evaluation of all program components; the development and implementation of in-person re-entry workshops; the programming of follow-on activities; and the tracking of alumni. Public Affairs Sections of U.S. embassies will be responsible for the recruitment and nomination of student participants. The Bureau, in conjunction with Public Affairs Sections, will be responsible for final selection of all applicants. Applicant organizations must demonstrate flexibility and the willingness to work with any and all countries in the
identified regions. ECA reserves the right to add or remove participating countries depending on Bureau priorities and the availability of funds.

The cooperating organization must ensure that all program and promotional materials, including verbal presentations, state prominently that the Global UGRAD Program “is a program of the Bureau of Educational and Cultural Affairs of the United States Department of State.” Promotional materials must be approved by the Bureau and follow Department of State branding guidelines. Only the Bureau of Educational and Cultural Affairs may issue the certificates of program completion to the Global Undergraduate Exchange Program participants.

The cooperating organization will serve as the principal liaison with Global UGRAD Program host institutions and the Bureau. Further details on specific program responsibilities can be found in the Project Objectives, Goals, and Implementation (POGI) document, which is part of the formal solicitation package available from the Bureau. Interested organizations should read the entire announcement for all information prior to preparing proposals.

Pending the availability of FY-2015 funds, it is the Bureau’s intent to award one cooperative agreement for this program. Should an applicant organization wish to work with other organizations in the implementation of this program, the Bureau requests that a
sub-grant agreement be developed. The same requirements apply to the sub-grantee as to
the recipient organization.

In a cooperative agreement, the Office of Academic Exchange Programs (ECA/A/E) is
substantially involved in program activities above and beyond routine grant monitoring.

ECA/A/E activities and responsibilities for this program are as follows:

1. Participating in the design and direction of program activities;
2. Approving key personnel;
3. Approving and providing input for all program agendas and timelines;

9. Providing liaison with Public Affairs Sections of the U.S. Embassies and country
desk officers at the State Department;
10. Providing Bureau evaluation mechanisms and instruments;
11. Performing an annual performance evaluation/review.

The responsibilities of the recipient organization are as follows:

1. Implementing all aspects of the Global UGRAD Program, including
administering full scholarships for one semester of non-degree undergraduate study for visiting students at accredited two- and four-year institutions of higher education in the United States;

2. Developing promotional and application materials, and providing these materials to Public Affairs Sections of U.S. embassies;

3. Recruiting and selecting appropriate host institutions throughout the United States;

Satisfactory performance is a condition of continued administration of the program.

III.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23 - Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements:

ECA anticipates making one award, in an amount greater than $130,000 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

Recipients must maintain accurate and up-to-date information in www.SAM.gov until all program and financial activity and reporting have been completed. Recipients must review and update the information at least annually after the initial registration and more frequently if required information changes or another award is granted. Failure to register in SAM will render applicants ineligible to receive funding.

You must have nonprofit status with the IRS at the time of application. Please note: Effective January 7, 2009, all applicants for ECA federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees, regardless of amount of compensation). If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1 ADHERENCE TO ALL REGULATIONS GOVERNING THE J VISA

The Bureau of Educational and Cultural Affairs places critically important emphases on the security and proper administration of the Exchange Visitor (J visa) Programs and adherence by award recipients and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant’s capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements. The award recipient will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at http://j1visa.state.gov or from:

Office of Designation, Private Sector Programs Division
U.S. Department of State
SA-44, Suite 668
301 4th Street, SW
Washington, DC 20547

Please refer to Solicitation Package for further information.
IV.3d.2 Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and abroad. "Diversity" should be interpreted in the broadest sense and encompass differences including race, color, national origin, sex, age, religion, geographic location, socio-economic status, disability, sexual orientation or gender identity. Proposals should demonstrate how diversity will enhance the program’s goals and objectives and the participants' exchange experience. Please refer to the review criteria under the 'Support of Diversity' section of this document as well as the DIVERSITY, FREEDOM AND DEMOCRACY section in the “Proposal Submission Instructions” document for specific suggestions on incorporating diversity into the total proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3 Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project’s success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project’s objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.
Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.
2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

**Please note**: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

**IV.3d.4. Virtual Exchange Component**: ECA welcomes innovative ideas on how organizations can leverage appropriate mobile and/or online technologies to maintain engagement among exchange participants, encourage project collaboration and widen
participation in the overall project to a broader audience. ECA strongly encourages organizations submitting proposals in response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s), defined as technology-enabled, sustainable, people-to-people, cross-cultural exchanges, is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA’s existing web and social networking platforms, including our International Exchange Alumni space. Virtual exchange components would be coordinated with and approved by the ECA program office and U.S. missions abroad on a project by project basis.

IV.3e.1. **Communications Guidance for ECA Grant Recipients:** All ECA Grant Recipients must adhere to the requirements in [ECA’s Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

IV.3e.2. Applicants must submit SF-424A – “Budget Information – Non-Construction Programs” along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

IV.3e.3. Allowable costs for the program include the following:

1) Program Expenses
2) Domestic Administration

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas and State Department regional bureaus, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State’s Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards resides with the Bureau's Grants Officer.

REVIEW CRITERIA

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

Detailed agenda and relevant work plan should demonstrate substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above.

Proposals should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau awards (grants or cooperative agreements) as determined by
Bureau Grants Staff. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants.
