#MyPride

A Photo & Video Campaign of the U.S. Department of State

Call for Submissions:

This June, in honor of LGBTI Pride Month¹, the Department of State will launch the My Pride in Exchange Programs campaign. The Department invites current and former exchange participants to submit short videos and/or photos affirming their pride, sharing their successes, and explaining the personal importance of their exchange programs. Selected submissions will be featured on mypride.state.gov to support the expansion of a more inclusive community that embraces all sexual orientations and gender identities. If you are interested in submitting a video or photo, please follow the instructions below.

Deadline to submit photos and video: You can submit at anytime. No deadline.

1. Video Submission Instructions:

In your video, introduce yourself with your first name, where you are from, and the name of the program in which you participated (e.g., I am Jeremy from the United States, and I am a Fulbright English Teaching Assistant to Indonesia). We also encourage you to shape your answers around the hashtag of this campaign, #mypride (e.g., My pride in my exchange program comes from...)

Please answer one or all of the questions below in your video:

- If you have completed your exchange program, how have you shared your exchange experiences upon your return home?

Example Photo Submissions:

1. Lesbian, Gay, Bisexual and Transgender Pride Month (LGBT Pride Month) is currently celebrated each year in the month of June to honor the 1969 Stonewall riots in Manhattan. The Stonewall riots were a tipping point for the Gay Liberation Movement in the United States. In the United States the last Sunday in June was initially celebrated as "Gay Pride Day," but the actual day was flexible. In major cities across the nation the "day" soon grew to encompass a month-long series of events. Today, celebrations include pride parades, picnics, parties, workshops, symposia and concerts, and LGBT Pride Month events attract millions of participants around the world. Memorials are held during this month for those members of the community who have been lost to hate crimes or HIV/AIDS. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual and transgender individuals have had on history locally, nationally, and internationally.
