

U.S. citizens living or traveling abroad are encouraged to register with the nearest U.S. Embassy or Consulate through the State Department's travel registration website at <https://travelregistration.state.gov/ibrs/ui/> in order that they can obtain updated information on travel and security. U.S. citizens without Internet access may register directly with the nearest U.S. Embassy or Consulate. By registering, U.S. citizens make it easier for the Embassy or Consulate to contact them in case of emergency.

To register as an American Citizen travelling abroad please go to the State Department's travel website:

<https://travelregistration.state.gov/ibrs/ui/> .

Please also make sure that you leave a copy of your itinerary and contact information with a family member/friend/neighbor.

You may also wish to make a copy of the information page of your passport and keep it with you during your trip but keep it separate from your actual passport.

Enjoy your trip!
